

DRIVING DIRECTIONS

Take Panamericana route (Panamericana highway) - Branch line Pilar - highway Number 8, driving towards direction Pilar, and going north.

Stay until km. 68th (you'll need to pass through 2 tolls before).

After the second toll, you'll see an exit signal (around 1 or 2 kms. ahead), which indicates: exit highway route number 39 - Capilla del Señor 14 kms.

Make a right, and exit towards Capilla del Señor.

While you're on route 39, you'll pass through 2 railways, without barrier.

Before arriving to Capilla del Señor, you'll find on your left hand side a factory with a big signal by the name of Campari and Cinzano.

After Campari, around 2 kms. more, you will arrive to a roundabout or rondpoint.

Take a left after the rondpoint, and continue to the first paved road on your left, which is the route that you have to take to arrive to the Estancia.
The Estancia is 2.5 kms. far from route 39 and the rondpoint.

You'll see that every gate entrance has an identification with a letter and a number on it.

Once you've turned left from route 39, after the rondpoint, the first gate entrance you'll see is the E 01. Please be attentive to this fact. Ours is the E 07.
The Estancia El Cencerro is on the right hand side.

This route is called number ex 193, but everybody knows it as the route towards Parada Robles, which is another small village.
